CentrePort Canada

CentrePort Canada is North America's largest trimodal inland port and Foreign Trade Zone – situated in the heart of the continent, just one hour north of the United States.

Three Continental Railways

An International Trucking Hub

Worldwide Air Cargo Operations

Your gateway to the world.

CentrePort Canada is North America's largest trimodal inland port and Foreign Trade Zone, offering 20,000 acres of high-quality, industrial development. Strategically located at the hub of international trading corridors, CentrePort Canada connects businesses to major markets around the globe.

Located in Winnipeg and Rosser, Manitoba, CentrePort's strategic location at the junction of multiple transportation corridors, along with access to affordable, skilled labour; low taxes and energy rates; fast-tracked land-development approvals; and, an affordable lifestyle, makes it an attractive investment location.

With links to global trade markets – including a consumer population of 100 million people living within a 24-hour drive – the inland port's 20,000-acre footprint offers on-site access to world class rail, truck and air cargo operations, ideal for companies engaged in global supply chain activities.

Planned as a complete community

- Affordable skilled labour
- Renewable, reliable, low cost energy with high power voltage available
- A planned 500 acre residential community
- Proximity to the Canada-US border (one hour drive)
- Single-window access to Canada's Foreign Trade Zone programs

Advantages of the RM

West Creek Industrial Park is located in Manitoba's fastest growing logistics and distribution hubs, the RM of Rosser.

Advantages of the RM of Rosser:

- The property tax mill rate in Rosser is approximately 15% less than the city of Winnipeg's rate
- No business taxes in the RM of Rosser – equating to a savings of up to \$0.60 per square foot compared to locating in the City of Winnipeg
- Permitting timelines can be significantly shorter in the RM of Rosser vs City of Winnipeg
- Newly developed roadways with direct access to major transportation routes
