5555 47 AV SE

PROJECT DESCRIPTION

5555 47 Avenue SE will be a 132,533 square foot, state-of-the-art industrial development in SE Calgary within Constellation Industrial Park, Calgary's newest industrial hub within the established community of Starfield. Positioned just south of Peigan Trail SE and east of 52nd Street SE, the site offers exceptional access to key transportation routes including Glenmore Trail SE, Stoney Trail SE, and Peigan Trail SE, making it a strategic location for regional and national distribution users. Accessible via Calgary Transit Routes 147 (Starfield Industrial) and 23 (52nd Street East), the site also provides convenient public transit options for employees. Designed for optimal performance, the building will feature 32' clear ceiling heights, LED lighting, ample dock loading, and I-G (Industrial – General) zoning—providing flexibility for warehousing, distribution, light manufacturing, and logistics users.
